

Terroirs of The Barossa *"A reflection of Three Unique Villages"*

Ebenezer-Shiraz 2005

This elegant and structured wine is made from grapes of the 80 year old vines at the Lowke family vineyard at Ebenezer. The vines grow in lighter sandy loam soil and are still cane pruned and hand picked as they have been for 3 generations. The aromas are ripe fruit, black plum, mulberry, cloves and aniseed. The flavours are complete and mouth-filling, with elegance, structure, herbal characters and great length. Cellar up to 15 years. Only 500 cases produced.
