Terroirs of the Barossa 'Ebenezer District' Shiraz 2016

Heritage

Château Tanunda was established in 1890 and is the site of some of the first vines planted in the Barossa in the 1840s as well as the Valley's first winery. The Château is an Australian heritage icon whose grand buildings, magnificent gardens and prime vineyards are owned by the Geber family. In the Barossa, the family continue their own tradition of fine winemaking which spans over three centuries.

Vineyard

The Terroirs of the Barossa looks to highlight the unique wine flavor characteristics within the individual sub-regions, or 'Parishes' in the Barossa. These differences stem from the relationships between man and place, with soils, climate zones, viticulture, aspects and water access, all playing important roles in the flavor of the grapes of these sites.

From the northern district of Ebenezer, home to some of the greatest vineyards in Australia known for their great ageability and velvety tannins.

Soil: Red Brown Earth on Calcerous Subsoils. Altitude: 278m

Winemaking

To ensure the unique character of this sub region is exemplified in the wine, small open fermenters and our basket press were employed to gently extract the wine.

Aging in the finest quality oak and selection of the truest barrels for 18 months has created a wine that respects and expresses its place of origin.

Tasting Notes

Shiraz wines from this region are typically characterised by lifted aromas of lavender and spice. The palate is full of red fruits, leather, cedar and fine, talc like tannins.

Deep, dark red colour with a good purple tint. The bouquet is savoury and earthy and slightly smoky, with a faint floral lift suggesting very ripe grapes. The tannins are graphite-like and drying on the middle and back-palates, with a very dry, sandpaper tannin aftertaste. Very good intensity and structure, long and satisfying. A ripping wine and a keeper. 11/4/2018

Has that Barossa charm. Ripe cherry, ripe berries, really sweet-ripe sense from first sniff, with whiffs of cherry cola and raspberry jelly. Palate is pretty similar but mercifully subdued with peppery spice, some chewy tannins, cool acidity – a better show in terms of balance to taste. It's a lush, slurpy red that should win fans for its overt, bold nature.

The Terroirs series are all fermented in used French and American puncheons. This deeply coloured, rich and complex wine fills the senses with its array of red and blue fruits, spice and chocolate, yet retains a core of elegance and balance. 15% alcohol is simply a number, not a course of heat. A very good outcome for the vintage. Drink by 2031
