

ICON OF THE BAROSSA

# Terroirs of the Barossa 'Ebenezer District' Shiraz 2019

## Heritage

Château Tanunda was established in 1890 and is the site of some of the first vines planted in the Barossa in the 1840s as well as the Valley's first winery. The Château is an Australian heritage icon whose grand buildings, magnificent gardens and prime vineyards are owned by the Geber family. In the Barossa, the family continue their own tradition of fine winemaking which spans over three centuries.

## Vineyard

The Terroirs of the Barossa highlights the unique wine flavor characteristics within the individual sub-regions, or 'Parishes' in the Barossa. These differences stem from the relationships between man and place, with soils, climate zones, viticulture, aspects and water access, all playing important roles in the flavor of the grapes of these sites.

From the northern district of Ebenezer, home to some of the greatest vineyards in Australia known for their great ageability and velvety tannins.

Soil: Red Brown Earth on Calcerous Subsoils. Altitude: 278m

## Winemaking

To ensure the unique character of this sub region is exemplified in the wine, small open fermenters and our basket press were employed to gently extract the wine.

Aging in the finest quality oak and selection of the truest barrels for 18 months has created a wine that respects and expresses its place of origin.

Medium deep crimson. Attractive red plum mulberry, raspberry, blackberry aromas with underlying roasted walnut notes. Inky-textured and smooth with plentiful ripe red plums, mulberry, blackberry fruits, fine looseknit chocolate tannins and savoury complexity. Finishes chalky firm with cola/ aniseed notes and persistent mineral length. Ready to drink. Drink now – 2026

From the entire Chateau Tanunda range this is the pick and the best value by far. It's classic Barossa from Ebenezer and a huge crowd pleaser that will put a smile on plenty of faces thanks to a combination of raw power and flavour complexity.

Bright deep ruby, it boasts explosive aromas of fleshy blackberry, mulberry, and earthy tones wrapped up in a soft blanket of sweet oak. It then maintains that impact on the palate with dense chocolate and a dusting of cocoa and spice over waves of dark berry fruits before oak again returns to support and sustain an impressively long finish. It's a wine to stock up on to enjoy its evolution over the next decade.

Combining richness and elegance, the wine shows dark berry, cocoa, clove and cedar characters on the nose. It's fleshy and delectable in the mouth with waves of ripe fruit and spicy flavours together with velvety texture and chalky tannins, making it firmly structured and delicious at the same time. Impressively long and complex. At its best: 2024 to 2039.

The 2019 Terroirs of the Barossa Ebenezer District Shiraz has plenty of oak in there to bolster the copious, abundant fruit; this is savory and red, with layers of gravel, iodine, ferrous, hung deli meat and exotic spice. There is really good length of flavor through the finish.(...) it is well made, and the fruit is excellent...
