# Terroirs of the Barossa 'Greenock' Shiraz 2019

## Heritage

Château Tanunda was established in 1890 and is the site of some of the first vines planted in the Barossa in the 1840s as well as the Valley's first winery. The Château is an Australian heritage icon whose grand buildings, magnificent gardens and prime vineyards are owned by the Geber family. In the Barossa, the family continue their own tradition of fine winemaking which spans over three centuries.

## Vineyard

The Terroirs of the Barossa looks to highlight the unique wine flavour characteristics within the individual sub-regions, or 'Parishes' in the Barossa. These differences stem from the relationships between man and place, with soils, climate zones, viticulture, aspects and water access, all playing important roles in the flavor of the grapes of these sites.

Greenock, the most westerly zone of the Barossa and also known as the Western Slopes, gives rise to some of the richest expressions of Shiraz from the Barossa.

Soil: Heavy brown earth, red clay and crackled ironstone

Altitude: 290m

## Winemaking

To ensure the unique character of this sub region is exemplified in the wine, small open fermenters and our basket press were employed to gently extract the wine.

Aging in the finest quality oak and selection of the truest barrels for 18 months has created a wine that respects and expresses its place of origin.

Deep crimson. Classic blackberry elderberry dark chocolate aromas with herb garden, espresso, liquorice notes. Generously shaped with plentiful choco-berry flavours, fine looseknit chalky/velvety textures, underlying roasted walnut/maturation notes and fresh crisp linear/ saline acidity. Finishes grainy firm and bitter-sweet. Well balanced near-plush wine with lovely density and mineral length. Drink now – 2026

Offering blackberry, vanilla, anise, dark chocolate and assorted nut aromas, it's wonderfully comforting and lingering with silky texture and loads of delectable flavours. Superbly structured by beautifully melded tannins, it's deeply satisfying and hugely appealing. At its best: 2024 to 2039

Shiraz sourced from the famous western Barossa subregion of Greenock. Chateau Tanunda have captured the subregional nuance nicely here. Deep, rich blackberry and satsuma plum notes are underscored by dark spice, ironstone, espresso, cedar, blackstrap licorice and earth. Impressive fruit depth and smoothly textured flow, tight tacy tannins providing the scaffolding, bright acidity the drive, as the wine drifts into the distance, opulent, black fruited and pure.
