THE CHÂTEAU *SINGLE VINEYARD – EDEN VALLEY* CHARDONNAY 2018

Heritage

Château Tanunda was established in 1890 and is the site of some of the first vines planted in the Barossa in the 1840s as well as the Valley's first winery. The *Château* is privately owned by the Geber family who continue a tradition of fine winemaking spanning three centuries.

Vineyard

The grapes for this Chardonnay are from select rows of our Eden Valley vineyard. The vines grow in the fertile mineral red clay soils, enjoying extended ripening time to enhance the flavor and structure, thanks to the cooler climate at 400m altitude.

Winemaking

Hand-picked from select rows in our high altitude Eden Valley vineyard, the grapes are lightly basket pressed (20% whole bunch) before fermentation takes place in barrel.

Regular lees stirring and months' maturation in new and seasoned French oak barriques give the wine added complexity.

Released: March 2019

Notes

Delicate, classic aromas of white peach, opulent pear and toasty brioche all leading on to a sumptuous creamy palate of layer upon layer of lemon, citrus fruit and vanilla notes all balanced with a clean, mineral intensity that you always expect from this vineyard.

The seamless balance of understated oak never overstates, and whilst the current youthful exuberance of the fruit gives it an appealing freshness this wine will develop further complexity over the next 5+ years.

A LUSH CHARDONNAY...

Review by: Ralph Kyte-Powell, The Real Review

A lush chardonnay in the flavoury tradition that's been under challenge in recent years from more savoury styles. It does it well. Hints of pineapple and peach have a weet-bixy thread, barrel influence is sensitively applied, and it tastes smooth and friendly. Recommended Drinking: 2019-2022

Splendidly fruited and inviting, the bouquet shows apricot, fig, vanilla, brioche and roasted nut aromas, followed by a wonderfully weighted palate that is supple and creamy. It is gorgeously styled and flavoursome, finishing long and smooth. At its best: now to 2025.
