

# GRAND BAROSSA

## CABERNET SAUVIGNON

2010

### Heritage

Château Tanunda was established in 1890 and is a heritage icon of Australia's wine industry. This 'GRAND' building, its magnificent gardens and vineyards are owned by the Geber family who continue the century old tradition of fine winemaking.

### Vineyard

For our GRAND BAROSSA wines we select grapes grown throughout the Barossa and its myriad of sub-regions. It is this diversity of 'terroirs' which enables us to create our classic and refined house style.

### Winemaking

The grapes were destalked (separating berries from the bunch) and placed uncrushed into small stainless steel open fermenters. A cultured yeast was used to start the fermentation and the tanks were hand plunged spending 7 days on skins at 26° C. The skins were gently pressed in the JLB Vaslin Bucher press and all of the parcels were matured for 16 months in a mixture of new and older French oak.

### Tasting note

Lifted aromas of blackcurrant, blackberry and vanilla are accompanied by vibrant, dark berry fruits on the palate. The finish is long with fine-grained tannins from sixteen months maturation in a combination of new and older French oak hogsheads. Although drinking well now this wine may be cellared for up to ten years from vintage.
