

GRAND BAROSSA CABERNET SAUVIGNON 2016

Heritage

Chateau Tanunda, Icon of the Barossa was established in 1890 and is the site of some of the Valley's earliest vines as well as its first winery. The Chateau is privately owned by the Geber family who continue a tradition of fine wine making spanning three centuries.

Vineyard

For our Grand Barossa wines, we select grapes grown throughout the Barossa and its myriad of sub-regions. It is this tapestry of 'terroirs' which enables us to create our classic and refined house style.

Winemaking

The grapes were destalked (separating berries from the bunch) and placed uncrushed into small stainless steel open fermenters. A cultured yeast was used to start the fermentation and the tanks were hand plunged spending 7 days on skins at 26° C. The skins were gently pressed and were matured for 16 months in a mixture of new and older French oak.

Tasting note

Lifted aromas of blackcurrant, blackberry and vanilla are accompanied by vibrant, dark berry fruits on the palate. The finish is long with fine-grained tannins from sixteen months maturation in a combination of new and older French oak hogsheads. Although drinking well now this wine may be cellared for up to ten years from vintage

Terrific dark purple-garnet hue; it shows its place and is a bold expression of the variety with intense fruit all blackberries and mulberries, dark chocolate, lots of herbs and cedary oak. Quite structured and austere although the sweet fruit tempers the grippy tannins and it feels warm on the finish. Drink By 2028
