

Terroirs of the Barossa 'Eden Valley' Shiraz 2022

Heritage

Château Tanunda was established in 1890 and is the site of some of the first vines planted in the Barossa in the 1840s as well as the Valley's first winery. The Château is an Australian heritage icon whose grand buildings, magnificent gardens and prime vineyards are owned by the Geber family. In the Barossa, the family continue their own tradition of fine winemaking which spans over three centuries.

Vineyard

The combined effects of site soil and climate on the vine. The Barossa has some very distinct sub-regions which exhibit their own unique influence on the wine. A journey through the Terroirs is a lesson in the Barossa's versatility. We have chosen Eden Valley to highlight its rich, darker flavours unique to this high altitude, cooler climate and rocky, clay loam soils.

Soil: red-grey loams with slate and granite

Altitude: 400m

Winemaking

Terroirs of the Barossa Eden Valley Shiraz is a wonderful cool climate expression of Barossa Shiraz. To ensure the unique character of this sub-region is exemplified in the wine, small open fermenters and our basket press were employed to gently extract the wine. Ageing in the finest quality new and seasoned French oak barrels has created a wine that respects and expresses its place of origin.

Tasting Note

The wine reflects the slate and granite soils with strong mineral notes, and fruit flavours of blackberry, Morello cherry. Complex deeper notes of earth and cured meats bring the palate to a long and evenly weighted finish.
